In order to request release of the land from the FAA in order to move forward with the Request for Proposals (RFP) to lease the land for non-aeronautical use, needs the Commission's reaffirmation to do so.

After brief discussion to clarify the location of the specific parcels, consisting of approximately 5 acres, east of the ball fields parking area, and between Nantucket Storage Center and the boat storage lot, Mr. Bouscaren made a **Motion** to re-affirm the portion of the Delta Property known as 10 Sun Island Road as surplus for non-aeronautical use. **Second** by Ms. Topham, and **Passed** unanimously by the following roll-call vote:

The Parties agree to amend this Lease to incorporate said plan into Exhibit A.

2.2 Obligations of Tenant. The Tenant shall be solely responsible for obtaining all permits, licenses and approvals required by applicable federal, state or local laws or regulations or by any governmental body having jurisdiction for or in connection with the use of the Premises and the construction of any buildings and improvements on the Premises which, subject to Landlord's advance written approval, Tenant may make, and shall promptly, upon the receipt of same, present copies of such permits, licenses and approvals to the Airport Manager.

2.3 Ownership of Hanger. The parties acknowledge that Tenant owns the hanger located on the Premises ("Tenant's Hanger"). Tenant's Hanger shares a wall and roof in common with the owner of the adjacent hanger. The Tenant acknowledges that Landlord has made no representations or warranties with respect to Tenant's Hanger and Landlord has no obligation to maintain, repair, and/or replace the Tenant's Hanger, including the common wall, roof, and other shared elements, all of which shall be Tenant's sole obligation.

2.4 Condition of Premises. Notwithstanding anything to the contrary in this Lease, the Premises are hereby leased in an "as is" condition without any representations or warranties whatsoever, express or implied, it also being expressly understood and agreed that Landlord is not obligated to install services or facilities in the Premises beyond those now in place.

2.5 Public Utilities. Tenant will be responsible for bringing to the Premises and for making all connection to public utilities. All connection charges, user charges and other fees, charges and other costs associated with the provision of utilities, will be paid for by the Tenant. Tenant shall install a sub-meter to record its electricity consumption. Landlord will inspect the meter from time to time, and will inform Tenant in writing of any funds owed by Tenant for electricity, which Tenant shall pay within fourteen (14) days from the date of such notice. Any sums owed by Tenant hereunder shall be treated as Additional Rent.

## **ARTICLE THREE – Rent and Other Charges**

3.1 Base Rent. Tenant shall pay to the Landlord, during the term hereof, annually the Base Rent set forth in Article One, above, such amount to be paid in twelve equal monthly installments, in advance on or before the first day of each month. Base Rent shall be increased, but not decreased, annually based on the change in the federal CPI-W rate as published by the United States Bureau of Labor Statistics, effective on the anniversary of the Commencement Date specified in Article One above. Further, on each five year anniversary of the Commencement Date, the Base Rent shall be increased, but not decreased, based on the greater of (i) the change in the CPI-W, measured from the Commencement Date and each five (5)-year anniversary thereof, as described above and (ii) the fair market rental value of the Premises as of such date as determined by an a qualified independent real estate appraiser identified by the Landlord to which the Tenant has no reasonable objection.

3.2 Additional Rent. In addition to the Base Rent, the Tenant shall pay annually, as Additional Rent:

- (i) all taxes, fees and charges assessed against the Premises and the property located thereon in accordance with applicable laws and regulations, and

(ii) such other consideration as is specified by the Nantucket Memorial Airport's Fees and Charges that, as the same may be amended from time to time.

The Landlord will bill the Tenant for these amounts annually and the payment will be due within 15 days thereafter.

3.3 Security Deposit. On or before the Commencement Date, as set forth in Article One, above, the Tenant shall pay to the Landlord the amount of the Security Deposit, as set forth in Article One, above, which shall be held by the Landlord, without obligation for interest, as security for the performance of the Tenant's covenants and obligations under this Lease. If the Landlord draws upon the Security Deposit, the Tenant shall, within fifteen (15) days after receipt of written notice, replenish the amount of the Security Deposit held by the Landlord. The amount of the Security Deposit shall be changed every five (5) years to reflect the increase in the Base Rent.

3.4 Removal and Restoration Bond. At least ninety (90) days prior to expiration of the Lease, if the then-current term has not been extended or otherwise renewed, the Tenant shall post a bond in the amount sufficient, in Landlord's reasonable determination, to remove Tenant's property and Tenant's Hanger and other structures and improvements that Tenant has made from the Premises, repair any damage caused to the Premises thereby, and restore the Premises to their condition, prior to such installation. As set forth more particularly in Section 10.1, Tenant shall, upon the expiration or termination of the Lease, remove Tenant's Hanger and all other property installed by it upon the Premises and restore the Premises to its original condition, reasonable wear and tear excepted, failing which, Landlord may (but is not obligated to) use the bond for such purpose, and Tenant shall be responsible to pay for any costs incurred by Landlord in so doing in excess of the bond amount.

3.5 Late Payment Fee. Any amount due from Tenant to Landlord under this Article Three or other wise due under this Lease that is not paid when due shall bear and accrue interest at the rate of one and one-half percent (1.5%) per month from the due date until receipt of payment. Any partial payments received on said indebtedness shall be applied first to interest, and then to principal.

#### **ARTICLE FOUR – Term and Extensions**

4.1 Term. This Lease shall commence on the Commencement Date set forth in Article One, above and, subject to earlier termination in accordance with the terms hereof, continue for the Initial Term set forth in Article One, above.

4.2 Extension Options. This Lease may be extended by Tenant as set forth in Article One above with Landlord's prior written consent, which shall not be unreasonably withheld if (i) at the time of both the exercise and extension of the this Lease, the Tenant is in full compliance with the terms and conditions hereof, and there are no defaults or circumstances which, by the giving of notice, would constitute a default under this Lease, and (ii) throughout the term of the Lease, the Tenant has not been in any material default hereunder. The Tenant shall inform Landlord of its intent to exercise any option hereunder by giving written notice to the Landlord by certified mail, return receipt requested, postage prepaid to Landlord, no later than six (6) months prior to the expiration of the then-current term. If Landlord does not consent to the extension, it shall inform Tenant of the same in writing within ninety (90) days of receiving Tenant's written extension request.

Except as the terms may not be relevant or applicable, and except as to any further options, all the terms and conditions of the Lease shall apply for the extended period, except that the Base Rent for the initial year of the extension period shall be the Base Rent for the final year of the then-current term, as adjusted as provided in Section 3.1, above, and be increased similarly thereafter.

4.3 Holding Over. If, after the termination or expiration of this Lease, Tenant shall remain in possession without any express written agreement as to such holding over, Tenant shall be deemed to be a tenant at sufferance from day to day at a daily rental rate equal to two hundred fifty percent (250%) of the Base Rent previously in effect. During such continued occupancy, all other provisions of this Agreement (except as to the term) shall be in effect.

## **ARTICLE FIVE - Rules and Regulations Governing the Airport**

5.1 Acceptance of Airport Rules and Regulations. Tenant shall observe and obey all laws, rules, orders and regulations promulgated by the Landlord, including Landlord's public health and safety rules and regulations, and by all other local, state and federal entities having jurisdiction over the Nantucket Memorial Airport or the activities occurring thereon, including, but not limited to, the Federal Aviation Administration (FAA), the U.S. Department of Homeland Security and Massachusetts Department of Transportation (DOT) - Aeronautics Division. In addition to, and not to the exclusion or limitation of, all other applicable rules promulgated by the FAA, Tenant agrees to conduct its operations in compliance with the Federal Aviation Regulations, including all amendments hereafter made, including 49 C.F.R. Part 107. Tenant shall also not take, and shall not fail to take, any action where the taking of the action or the failure to take the action, as the case may be, will or has a reasonable likelihood to adversely affect the insurability of the Premises or any other portion of the Airport.

5.2 Non-Discrimination Assurances. The Tenant, for itself, its heirs, personal representatives and its successors and assigns, does hereby covenant and agree, as a covenant running with the Premises, that (i) no person on the grounds of race, color, handicap, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (ii) that in the construction of any improvements on, over, or under such Premises and the furnishing of services thereon, no person on the grounds of race, color, handicap, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; (iii) that the Tenant shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended. The breach of this Section 5.2 shall constitute a material breach of this Lease and the Landlord shall have the right immediately to terminate the Lease and to re-enter and repossess said land and the facilities thereon, and hold the same as if said Lease had never been made or issued.

5.3 Liability for Fines and Penalties. Should Tenant, its customers, agents, employees, officers or guests violate any law, code, rule, or regulation or any governmental approval, license, permit or consent and should any said violation result in a citation, penalty, charge, fee, or fine to the Landlord, then Tenant shall fully and immediately defend, indemnify, and hold harmless the Landlord, and reimburse the Landlord, for said citation, penalty, charge, fee, or fine, and for all costs and expenses, including reasonable attorney's fees, incurred by the Landlord in defending against and/or pursuing recovery of the citation, penalty, charge, fee, or fine. All such amounts shall constitute Additional Rent due under the Lease and shall be paid within fifteen (15) days of Tenant's receipt of notice or invoice thereof.

## **ARTICLE SIX – Use of Premises**

6.1 Use of Premises: The Tenant shall use the Premises solely for the purposes set forth in Article One. It is agreed by the parties that the Premises may only be used for aeronautical/aviation purposes in accordance with the regulations, requirements, and guidelines promulgated by the Federal Aviation Administration (FAA) and G.L. c. 30B(1)(b)(29) (aviation use exemption), and for no other purpose.

## **ARTICLE SEVEN – Tenant Covenants and Restrictions**

7.1 Liens and Alterations: Tenant shall not file or place, cause or permit to be placed or filed, or suffer to exist any liens on the Premises, including mechanic's liens for labor and materials furnished to Tenant in connection with work of any character performed for or on behalf of the Tenant, and shall cause any such lien to be released of record without cost to Landlord within sixty (60) days of the filing of the lien. Landlord shall not, under any circumstances, be liable for the payment of any costs or expenses incurred or for the value of any work done or material furnished to or on behalf of Tenant or to or upon the Premises or any part thereof, which liability shall rest solely with Tenant. Tenant shall cause all contractors to carry workers' compensation insurance in accordance with statutory requirements and comprehensive public liability insurance and automobile liability insurance covering such contractors and their work on or about the Premises in amounts reasonably acceptable to Landlord, and shall submit certificates evidencing such coverage to Landlord prior to the commencement of and during the continuance of such contractor's work. Any approval of Landlord of the amount of any insurance maintained by Tenant shall not relieve Tenant of its obligation to comply with this Agreement, including the obligations of Tenant under this Section 7.1.

Notwithstanding anything to the contrary in this Lease, Tenant shall not make any alterations, additions or improvements to the Premises without the prior written consent of the Landlord, which may be withheld in Landlord's sole and absolute discretion. All such alterations, additions or improvements, if any, shall be at Tenant's expense.

If Landlord shall permit Tenant to perform work on the Premises, Tenant shall procure all necessary local, state and federal permits, licenses, and approvals before undertaking such work, and shall cause all such work to be performed in a good, first-class, and workmanlike manner, and in accordance with all applicable laws and regulations, and the requirements of Landlord and insurers of the Premises, and shall, in performing the work, use and employ new materials of prime quality. Tenant shall defend, hold harmless, exonerate and indemnify Landlord from all claims, injury, loss, liability, and/or damage of any kind or nature occasioned by such work. Tenant improvements, alterations and repairs shall be done and materials and labor furnished at Tenant's expense, and Tenant shall, as a condition of any approval of Landlord for any work at the Premises, cause all laborers and material men furnishing labor and materials to the Premises or any part thereof to release Landlord and the Premises, in a signed writing provided in advance of any work, from any liability.

The Tenant Hanger and all structural improvements and additions made by Tenant and "affixed" (as reasonably determined by Landlord) to the Premises shall be the exclusive property of the Tenant, and the Tenant may (but shall not be obligated to) remove the same at any time, provided that Tenant restores the Premises to the same conditions as existed prior to such alteration or addition, reasonable wear and tear and damage excepted. Tenant may leave the Tenant Hanger and other structures and improvements on the Premises provided Tenant obtains Landlord's prior written consent.

7.2 Assignment and Subletting: Tenant shall not assign, sublet, underlet, mortgage, pledge or encumber this Lease or any portion of the Premises without, in each instance, having first obtained the prior written consent of Landlord. Any assignment or sublease under and notwithstanding such consent shall be void unless the assignee or sub Tenant acknowledges in writing that it will be bound by and subject to the terms of this Agreement. No permitted assignment or subletting shall in any way impair or relieve Tenant from the continuing primary liability of the Tenant-assignor hereunder, and no consent by the Landlord in a particular instance shall be deemed to be a waiver of the obligation to obtain the Landlord's consent in a subsequent instance. As used herein, the term "assign" or "assignment" shall be deemed to include, without limitation, any transfer of Tenant's interest in the Lease by operation of law.

7.3 Aeronautics Restrictions. In addition to the other provisions of this Lease, Tenant's activities on the Premises shall be subject to the following restrictions, among any other restrictions generally applicable to persons operating on a municipal airport:

(a) The Landlord reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property as described in this Lease, together with the right to cause, in said airspace, such sound as may be inherent in the operation of aircraft, now known or used or hereafter used for the navigation or flight of aircraft in said airspace, together with the emission of fumes or particles incidental to aircraft operation, and for the use of said airspace for the landing on, taking off from, or operating on or about Nantucket Memorial Airport.

(b) Tenant, its successors and assigns shall not use the Premises in any manner or for any purpose that will create or result in hazards or unsafe conditions to flight such as, but not limited to, (i) the production of electrical interference with radio communications, (ii) the use of lights or reflective devices that may make it difficult for pilots to distinguish between such lights or devices and airport or runway lights, (iii) projecting glare in the eyes of the pilots, (iv) impairing visibility on or in the vicinity of the airport, or (v) otherwise endanger or create risks of endangering the operation of aircraft, including the landing, take-off or maneuvering of such aircraft.

(c) The Landlord retains the continuing right in the Premises to prevent the erection or growth of any building, structure, tree, or other object extending in to the airspace (i.e., the airspace that is above 45 feet Mean Ground Level), and, at Tenant's expense to remove from said airspace, or at the sole option of the Landlord, as an alternative, to mark and light as obstructions to air navigation, any such building, structure, tree, or other object now upon, or which in the future may be upon, the property together with the right of ingress to, passage over, and egress from the Premises and Tenant's property for the above purposes.

(d) The reservations and restrictions set forth in this Lease shall run with the land which shall be the servient tenement, it being intended that the lands now and hereafter comprising the Airport shall be the dominant tenement; excepting, however, that such reservations and restrictions shall become void and of no force and effect on such date as the lands comprised in the aforesaid Airport shall cease to be used for Airport purposes.

(e) If Tenant elects to furnish aeronautical services to the public, such services and/or activities shall be offered, performed or conducted upon the Premises in accordance with the following principles:

(i) Tenant shall furnish said service on a fair, equal, and not unjustly discriminatory basis to all users thereof, and

(ii) Tenant shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; provided that the Tenant may be allowed to make reasonable and nondiscriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

(f) It is mutually understood and agreed by the parties hereto that nothing contained in this Lease shall be construed as granting or as authorizing the granting of an exclusive right within the meaning of Section 308 (a) of the Federal Aviation Act of 1958.

7.4 Maintenance and Repair; Nuisance. Tenant agrees that it shall not injure, deface or otherwise harm the Premises or use the Premises in any manner that will constitute waste. Tenant will maintain the Premises and any structures or other improvements constructed or existing thereon, including the Tenant Hanger and the common elements thereof, in good condition and repair, including painting the exterior of the building to prevent rusting or deterioration of any portions thereof; shrubbery, plantings and lighting will also be maintained by Tenant. Any visible damage or defacement to the Premises, Tenant's Hanger and/or other improvements, or appurtenances, Tenant shall correct the same as quickly as possible to prevent a continuing condition of apparent disrepair or remove the damaged remains from the Premises, and any replacement structure will be subject to the same terms and conditions as the original structure. The Tenant will not make or suffer to exist any unlawful, improper, noisy or offensive use of the Premises, or engage in, permit or suffer to exist any use that has a reasonable likelihood to endanger, affect, or make voidable any insurance on the Premises, or the building or any contents thereof, or to increase the cost of any such insurance. Tenant covenants and agrees that the Premises shall not be used for any objectionable or unlawful purpose, or for any purpose that constitutes a nuisance; that it will permit Landlord to enter the Premises at all reasonable times for the purpose of inspecting the same, and that upon the termination of this Lease it will quietly and peacefully surrender possession of the Premises to Landlord in good order and condition, ordinary wear and tear (only) excepted. If Tenant shall fail to keep the Premises in the condition required herein, or if repairs are required to be made by Tenant pursuant to the terms hereof, Landlord shall have the right, but not the obligation, after thirty (30) days' notice to Tenant by Landlord (or without notice in the event of an emergency), to make such repairs or perform maintenance work or any other work required of Tenant pursuant to this Lease and charge the all costs thereof to Tenant as Additional Rent; provided that, if Tenant has promptly commenced and diligently prosecutes to completion the necessary repairs or the correction of any nonconformity, as reasonably determined by Landlord, Landlord shall exercise such right, if at all, if and only if Tenant shall ceases so to diligently prosecute the same to completion.

7.5 Sanitation. Tenant shall supply at its own expense a receptacle suitable for the disposal of refuse and shall be responsible for the disposal of all refuse. Tenant shall not permit any refuse to accumulate so as to constitute a fire or health hazard or unsafe condition on, about or within the Premises. If Tenant fails or neglects to keep the Premises and area herein described in a clean and sanitary condition at all times, Landlord shall have the right, without any obligation to do so, to enter upon the Premises and put them in a clean and sanitary condition in the event that Tenant fails to do so within twenty-four (24) hours after notice of any such condition. In the event the Tenant fails to comply with any such notice and Landlord acts to clean the Premises, Tenant shall reimburse Landlord for all costs and expenses incurred by Landlord to clean the Premises.

7.6 Airport Construction and Development. Tenant recognizes that from time to time during the term of this Lease it may be necessary for Landlord or other governmental entity with jurisdiction over Landlord and the Airport, to initiate and carry forward programs of construction, improvements, remediation, inspections, expansion, maintenance and repair, and understands and agrees that such activities may require the relocation of the Premises leased to Tenant to a comparable location at the Airport or elsewhere, which may inconvenience or interrupt Tenant in its operations at the Airport and result in a temporary relocation or a relocation for the remaining term of this Lease. Tenant agrees that no liability shall be attached to Landlord, its agents or employees by reason of any such relocation, inconvenience or interruption, and hereby waives and forever discharges Landlord from and against any right or claim to damages or other consideration on account therefor, including, to the fullest extent allowed by law, any rights or remedies otherwise available to Tenant under state or federal laws. Tenant agrees that its sole relief for any such relocation, inconvenience, and interruption shall be either a reasonable and proportionate rental abatement in the event the Premises may not be used during any such period of time, or, in the alternative, the reasonable cost of relocating the Tenant to an alternative location. Tenant agrees that it enters into this Lease assuming the risk of relocation, as set forth herein, and any relocation, whether temporary or not, does not breach Landlord's covenant of quiet enjoyment.

7.7 Hazardous Materials. Tenant shall not use, handle, store or dispose of, or exacerbate any Hazardous Waste, Hazardous Material, Oil or radioactive material, as such terms are used or defined in Section 2 of Chapter 21C, Section 2 of Chapter 21D, and Section 2 of Chapter 21E of the General Laws of Massachusetts, and the regulations promulgated thereunder, as such laws and regulations may be amended from time to time (collectively "Hazardous Materials") in, under, on or about the Premises except for such storage and use consented to by Landlord in advance in writing, which consent may be withheld in Landlord's sole and absolute discretion. Any Hazardous Materials on the Premises, and all containers therefore, shall be used, kept, stored and disposed of in conformity with all applicable laws, ordinances, codes, rules, regulations and orders of governmental authorities. Any violation of said laws, rules or regulations shall be deemed a material breach of this Lease for which Landlord may terminate this Lease. Tenant shall (i) notify Landlord immediately of any release or threat of release of any Hazardous Materials on or from the Premises and any loss or damage or claim of loss or damage resulting therefrom, (ii) be solely responsible for remediating all contamination in full compliance with all applicable statutes, rules and regulations and to a standard that, at a minimum, allows Landlord to use the Premises for airport purposes, as set forth more particularly herein, at Tenant's sole cost and expense, and, in addition to any other rights and remedies available to Landlord, (iii) indemnify, defend and hold harmless Landlord from and against all liability, loss, damage, costs and expenses (including without limitation, reasonable attorney's fees and expenses), causes of action, suits, fines, penalties, claims, demands, or judgments of any nature in any way that brought or asserted against, suffered, incurred, or paid as a result of the presence or release or threatened release of Hazardous Materials on or from the Premises which is caused or exacerbated by Tenant, its agents, employees, contractors, representatives, licensees, or invitees. Tenant hereby acknowledges and agrees that Landlord shall have no responsibility to Tenant, its agents, employees, contractors, representatives, permittees, licensees and invitees, for the presence of such Hazardous Materials on the Premises or be required to abate or remediate the same. The provisions hereof shall survive the expiration or termination of this Lease.

## **ARTICLE EIGHT - Indemnity and Public Liability Insurance**

8.1 Tenant's Indemnity. To the maximum extent this agreement may be made effective according to law, Tenant agrees, in addition to any other rights and remedies available to Landlord, to defend, indemnify and save harmless Landlord from and against all claims, expenses or liability of whatever nature from any suits, claims and demands arising directly or indirectly (i) from the failure of the Tenant's or Tenant's contractors, agents, employees, representatives, permittees, licensees, invitees or anyone claiming by or through the Tenant (with Tenant, the "Tenant Parties") to comply with the terms of this Lease or with any applicable laws, codes, bylaws, rules, orders, regulations or lawful directions now or hereafter in force of any public authority and any accident, injury or damage whatsoever to any person, or to the property of any person, occurring on or about the Premises or (ii) from any accident, injury or damage, however caused, to any person or property on the Premises or occurring outside of the Premises but on the Airport property, in each case where such accident, damage or injury results or is claimed to have resulted from any act, omission or negligence on the part of any of the Tenant Parties; and (iii) from any and all costs and expenses incurred in connection with any cleanup, remediation, removal or restoration work required by any federal, state or local governmental authority because of the presence of any Hazardous Materials on or about the Premises to the extent that Tenant or any of the other Tenant Parties caused or contributed to such environmental occurrence, during the term of this Lease or thereafter, so long as Tenant is in occupancy of or any of its personal property remains on any part of the Premises. This indemnity and hold harmless agreement shall include indemnity against all costs, expenses and liabilities incurred in or in connection with any such claim or proceeding brought thereon, and the defense thereof, including, without limitation, reasonable attorneys' fees incurred by Landlord in connection therewith.

8.2 Insurance. Tenant agrees to maintain in full force from the date upon which Tenant first enters the Premises for any reason, throughout the term of this Lease, and thereafter so long as Tenant is in occupancy of any part of the Premises and agrees prior to the commencement of the Lease, and thereafter on or before January 1 of each term of this Lease, to deliver to the Landlord a certificate of insurance evidencing compliance with the requirements herein:

(a) A policy of general liability and property damage insurance with respect to the Premises and the property of which the Premises are a part, naming the Tenant as an insured and the Landlord as an additional named insured, in the minimum amount of \$1,000,000 bodily injury and property damage for each occurrence, with a combined single limit of \$3,000,000 annual aggregate limit. Landlord shall have the right from time to time to increase such minimum amounts upon notice to Tenant, provided that any such increase is consistent with the amount of coverage carried for similar property;

(b) A policy of fire and extended coverage insurance upon its building and leasehold improvements, furniture, furnishings, fixtures and equipment to the full insurable value thereof and any applicable equipment vendors or lenders give the Airport satisfactory releases from fire and extended coverage liability;

(c) A policy of Workers' Compensation insurance during any construction, maintenance or repair of the Premises by the Tenant or any of its contractors, covering the obligations of the Tenant and or its contractors in accordance with Massachusetts Workers' Compensation or Benefits law. Prior to the commencement of any construction, maintenance or repair of the Premises, the Tenant shall deliver to the Landlord a copy of the certificate of insurance which shall also name the Landlord as an additional insured;

(d) Automobile Liability Insurance of not less than \$1,000,000 per occurrence covering owned, hired and non-hired vehicle use and shall name the Landlord as an additional insured; and

(e) Such other insurance as may reasonably be required by the Landlord.

Without limiting Landlord's other rights under any other provisions of this Lease, if Tenant shall fail to keep the Premises insured as provided herein, and if such failure shall continue for a period of ten (10) days following written notice by Landlord to Tenant thereof, then Landlord, without further notice to Tenant, may take out and pay for such insurance, and the amount of such payment shall become due and payable as Additional Rent on demand, or Landlord may terminate this Lease immediately.

8.3 Tenant's Risk. To the maximum permitted by law, and notwithstanding anything to the contrary in this Lease, Tenant agrees that all of the furnishings, fixtures, equipment, effects and property of every kind, nature and description of Tenant and all persons claiming by, through or under Tenant, including Tenant's employees, agents, invitees, licensees, and insurers, which, during the Term of this Lease or any occupancy of the Premises by Tenant or any such Tenant Party, may be on the Premises or elsewhere on the Property, shall be at the sole risk and hazard of Tenant, and if the whole or any part thereof shall be destroyed or damaged by fire, water or otherwise, or by the leakage or bursting of water pipes or sprinklers, by theft or from any other cause whether foreseeable or unforeseeable, no part of said loss of damage is to be charged to or be borne by Landlord unless due to the gross negligence or willful misconduct of Landlord, and in all events Tenant's insurance that may be available to cover any such damage or destruction shall be deemed primary vis-à-vis any insurance of Landlord.

8.4 Injury Caused By Third Parties. To the maximum extent permitted by law, Tenant agrees that Landlord shall not be responsible or liable to Tenant, or to those claiming by, through or under

Tenant, including any of the other Tenant Parties, and other parties, for any injury, loss or damage to person (including death) or property that may be occasioned by or through the acts or omissions of persons or entities other than Landlord and Landlord's employees.

8.5 Waiver of Subrogation. Tenant agrees that any insurance covering personal injury (including death) and property damage carried by it shall provide for the waiver by the insurance carrier of any right of subrogation against the Landlord, and Tenant further agrees that, with respect to any injury to person (including death) and damage to property, the loss from which is covered by any such insurance, to hereby release the Landlord of and from any and all claims, liabilities, and losses with respect to such loss to the extent of the insurance proceeds paid with respect thereto.

**THE TENANT SHALL DEPOSIT WITH THE LANDLORD A COPY OF THE INSURANCE POLICIES FOR ALL THE INSURANCE REQUIRED TO BE CARRIED HEREUNDER PRIOR TO THE COMMENCEMENT OF THEIR TERM, AND THEREAFTER WITHIN THIRTY (30) DAYS PRIOR TO THE EXPIRATION OF ANY SUCH POLICIES. ALL SUCH INSURANCE CERTIFICATES SHALL PROVIDE THAT SUCH POLICIES SHALL NOT BE MATERIALLY CHANGED, ALTERED OR CANCELED WITHOUT AT LEAST TEN (10) DAYS PRIOR WRITTEN NOTICE TO EACH ASSURED NAMED THEREIN. NEITHER LANDLORD'S RECEIPT NOR LACK OF RECEIPT OF ANY SUCH CERTIFICATES SHALL RELIEVE TENANT OF ITS OBLIGATIONS IN THIS LEASE OR ACT AS A WAIVER OF ANY RIGHTS OF LANDLORD WITH RESPECT THERETO.**

The provisions of this Section shall survive the expiration or termination of this Lease.

#### **ARTICLE NINE – Default and Landlord's Remedies**

9.1 Tenant's Default. If at any time subsequent to the date of this Lease any one or more of the following events (herein referred to as a "Default of Tenant") shall happen, Landlord may, in addition to any other rights and remedies available to it, including any rights of termination set forth elsewhere in this Lease, terminate this Lease upon ten (10) days' notice to Tenant and Tenant will then immediately quit and surrender the Premises to Landlord, provided, however, that Tenant shall remain liable as herein provided (Tenant hereby waiving any rights of redemption under Massachusetts General Laws, including under General Laws c. 186 §11):

(i) Tenant shall fail to pay the Base Rent and/or Additional Rent when due and such failure shall continue for ten (10) days after written notice thereof; or

(ii) Tenant shall fail to pay charges hereunder when due and such failure shall continue for ten (10) days after notice to Tenant; or

(iii) Tenant shall neglect or fail to perform or observe any other covenant herein contained on Tenant's part to be performed or observed and Tenant shall fail to remedy the same as soon as practicable and in any event within thirty (30) days after written notice to Tenant specifying such neglect or failure, or if such failure is of such a nature that Tenant cannot reasonably remedy the same within such thirty (30) day period, Tenant shall fail to commence promptly (and in any event within such thirty (30) day period) to remedy the same and to prosecute such remedy to completion diligently and continuously, no later than sixty (60) days from said notice, provided that three or more such neglects or failures in any 365 day period shall constitute a default irrespective of whether, in each instance, Tenant cures the neglects or failures within said cure period; or

(iv) Tenant's leasehold interest in the Premises shall be taken on execution or by other process of law directed against Tenant; or

(v) Tenant shall make an assignment for the benefit of creditors or shall file a voluntary petition in bankruptcy or shall be adjudicated bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for itself under any present or future Federal, State or other statute, law or regulation for the relief of debtors, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Tenant or of all or any part of its properties, or shall admit in writing its inability to pay its debts generally as they become due; or

(vi) A petition shall be filed against Tenant in bankruptcy or under any other law seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future Federal, State or other statute, law or regulation and shall remain undismissed or unstayed for an aggregate of sixty (60) days (whether or not consecutive), or if any debtor in possession (whether or not Tenant) trustee, receiver or liquidator of Tenant or of all or any substantial part of its properties or of the Premises shall be appointed without the consent or acquiescence of Tenant and such appointment shall remain unvacated or unstayed for an aggregate of ninety (90) days (whether or not consecutive); or

(vii) If a Default of Tenant of the kind set forth in clauses (i) and (ii) above shall occur and Tenant shall cure such Default within the applicable grace period and an event which would constitute a similar Default after the applicable grace period shall occur more than twice within the next 365 days, whether or not such similar Default is cured within the applicable grace period; then, in any such case, Landlord may terminate this Lease by notice to Tenant along with written notice to Tenant specifying a date not less than five (5) days after the giving of such notice on which this Lease shall terminate and this Lease shall come to an end on the date specified therein as fully and completely as if such date were the date herein originally fixed for the expiration of the Term of this Lease (Tenant hereby waiving any rights of redemption under Massachusetts General Laws, including under General Laws c. 186 §11), and Tenant will then quit and surrender the Premises to Landlord, but Tenant shall remain liable as hereinafter provided.

9.2 Re-entry by Landlord. If this Lease shall have been terminated as provided in this Article, or if any execution or attachment shall be issued against Tenant or any Tenant's property whereupon the Premises shall be taken or occupied by someone other than Tenant, then Landlord may, without notice, re-enter the Premises, either by force, summary proceedings, ejectment or otherwise, and remove and dispossess Tenant and all other persons and any and all property from the same, as if this Lease had not been made, and Tenant hereby waives the service of notice of intention to re-enter or to institute legal proceedings to that end.

9.3 Damages. In the event of any termination as provided in this Article, Tenant shall pay the Base Rent, Additional Rent and all other sums payable hereunder up to the time of such termination, and thereafter Tenant shall, until the end of what would have been the Term of this Lease in the absence of such termination, and whether or not the Premises shall have been re-let, be liable to Landlord for, and shall pay to Landlord, as liquidated current damages, the Base Rent, Additional Rent and all other sums which would be payable hereunder if such termination had not occurred, less the net proceeds, if any, of any re-letting of the Premises, after deducting all reasonable expenses in connection with such reletting, including, without limitation, all repossession costs, brokerage commissions, legal expenses, attorneys' fees, costs to restore the Premises to its original condition (reasonable wear and tear excepted), advertising, expenses of employees, alteration costs and expenses of preparation for such re-letting. At Landlord's option, Tenant shall pay such damages to Landlord monthly on the dates which the Base Rent

would have been payable hereunder if this Lease had not been terminated, or Landlord may accelerate all payments, which shall be promptly paid upon such termination.

(i) At any time after such termination, whether or not Landlord shall have collected any current damages as set forth in Section 9.3, as liquidated final damages and in lieu of all such current damages beyond the date of such demand, at Landlord's election Tenant shall pay to Landlord an amount equal to the excess, if any, of the Base Rent, Additional Rent and other sums as hereinbefore provided which would be payable hereunder from the date of such termination to the date on which the Lease would have expired in the absence of termination, discounted to present value at a rate of 8% per year, over the then fair net rental value of the Premises for the same period, also discounted to present value at a rate of 8% per year.

9.4 Re-letting of Premises. In case of any Default by Tenant, re-entry, expiration and dispossession by summary proceedings or otherwise, Landlord may (i) re-let the Premises or any part or parts thereof, either in the name of Landlord or otherwise, for a term or terms which may, at Landlord's option, be equal to or less than, or exceed, the period that would otherwise have constituted the balance of the Term of this Lease, and may grant concessions or free rent to the extent that Landlord considers reasonably advisable and necessary for the purpose of re-letting the Premises; and such actions and the making of any alterations, repairs and decorations to the Premises in connection therewith shall not operate, or be construed, to release Tenant from liability hereunder as aforesaid. Landlord shall not, in any event, be liable in any way whatsoever for failure to re-let the Premises, or, in the event that the Premises are re-let, for failure to collect the rent under such re-letting. Tenant hereby expressly waives any and all rights of redemption granted by, or under any, present or future laws in the event of Tenant being evicted or dispossessed, or in the event of Landlord obtaining possession of the Premises by reason of the violation by Tenant of any of the covenants and conditions of this Lease or otherwise.

9.5 No Limitation of Remedies. The specified remedies to which Landlord may resort hereunder are not intended to be exclusive or in limitation of any rights, remedies or means of redress to which Landlord may at any time be entitled lawfully and in equity, and Landlord may invoke any right, remedy or means (including the remedy of specific performance) allowed at law or in equity as if specific remedies were not herein provided for.

9.6 Costs. All reasonable costs and expenses incurred by or on behalf of Landlord (including, without limitation, reasonable attorneys' fees and expenses, including at both the trial and appellate levels) in enforcing its rights hereunder in connection with any Default of Tenant shall be paid by Tenant.

## **ARTICLE TEN – Tenant Obligation Upon Lease Termination**

10.1 Restoration of Premises. Subject to the provisions hereof, including Section 7.1, upon the expiration or earlier termination of this Lease, the Tenant shall have the obligation, at its expense, to dismantle and remove the Tenant Hanger and any other structures and improvements it has installed and constructed upon the Premises and to remove and dispose of any hazardous waste deposited thereon by the Tenant, and to restore the Premises to its original condition, reasonable wear and tear excepted. Such removal and restoration shall be completed within forty-five (45) days following the expiration or earlier termination of the Lease. Tenant shall provide written notice to Landlord stating the date, within such 45-day period, when such removal and restoration is set to commence. Tenant may leave the Tenant Hanger and/or other improvements provided that Tenant obtains Landlord's prior written consent, to be exercised in Landlord's sole and absolute discretion, provided that Tenant surrenders the Tenant Hanger and/or other improvements in the same condition they are required to be in under this Lease, reasonable wear and tear only excepted. Notwithstanding Landlord's election to take possession of the structures and improvements, Tenant shall continue to be obligated to restore the Premises as aforesaid.

10.2 Removal of Personal Property. The Tenant shall at the expiration or other termination of this Lease remove all Tenant's personal goods and effects from the Premises, (including, without hereby limiting the generality of the foregoing, all signs and lettering affixed or painted by the Tenant, either inside or outside the Premises). Tenant shall deliver to the Landlord the Premises and all keys, locks thereto, and other fixtures connected therewith and all alterations and additions made to or upon the Premises not otherwise required to be removed under the terms of this Lease, in a good and safe condition. In the event of the Tenant's failure to remove any of Tenant's property from the Premises, Landlord is hereby authorized, without liability to Tenant for loss or damage thereto, and at the sole risk of Tenant, to remove and store any of the property at Tenant's expense, or to retain same.

10.3 Environmental Inspection. Landlord shall have the right to require the Tenant, by written notice given within sixty (60) days before or after the expiration or termination of the Lease, to conduct an environmental site assessment (a Phase 1 assessment, and, if recommended by the Phase 1 report, a Phase 2 site assessment), at Tenant's cost, performed by a licensed site professional as to the presence of Hazardous Materials as defined in G.L. c. 21E on or about the Premises, and will promptly forward a copy thereof to the Landlord. The provisions of this section shall survive the expiration and the termination of this Lease.

Notwithstanding the above, the Landlord acknowledges that prior to and during the Tenant's occupancy, the Landlord did not conduct any environmental testing. Further, the Landlord acknowledges that it has no knowledge of any actions or practices by the Tenant during the Tenant's occupancy regarding any violation of any hazardous waste laws.

Notwithstanding the above, the Landlord acknowledges that prior to and during the Tenant's occupancy of the Premises under a lease that expired on November 30, 2015 (but which the Tenant has continued to occupy through \_\_\_\_\_, 2016 [*the date that the Commission signs the Lease*]), the Landlord did not conduct any environmental testing. Further, the Landlord acknowledges that it has no knowledge of any actions or practices by the Tenant during the Tenant's said prior occupancy regarding any violation of any hazardous waste laws."

## **ARTICLE ELEVEN – Miscellaneous**

11.1 Notices. Whenever under this Lease a provision is made for any demand, notice, or declaration of any kind or where it is deemed desirable or necessary by either party to give or serve any such notice, demand, or declaration to the other, it shall be in writing sent by certified or registered mail, return receipt requested with postage prepaid at the address set forth in Article One, above, or at such other addresses as the parties may from time to time designate by written notice to the other party, as it may be changed by notice duly given hereunder.

Except as provided herein, no subsequent alterations, amendments, changes, or additions to this Lease shall be binding upon Landlord or Tenant unless and until reduced to writing and signed by both parties. Submission of this Lease by Landlord to Tenant for examination shall not bind Landlord in any manner, and no lease, contract, option, agreement to lease, or other obligation of Landlord shall arise until this Lease is signed by Landlord and delivered to Tenant.

11.8 Quiet Enjoyment. Landlord agrees that, on payment of the rentals and other charges herein provided for and the performance of the covenants and agreements on the part of the Tenant to be performed hereunder, and subject to the terms of this Lease, Tenant shall have peaceful and quiet use and possession of the Premises.

11.9 Severability. If any provision of this Lease is declared to be illegal, unenforceable, or void, then both parties shall be relieved of all obligations under that provision, provided, however, that the remainder of the Lease shall be enforced to the fullest extent permitted by law.

**Re: Rectrix - ACK Cargo Proposal**

Dear Tom,

Rectrix Aviation intends to commence Air Cargo service between HYA and ACK as soon as possible.

We are in the process of acquiring a Cessna 402-C cargo aircraft. Pay Load is estimated at 2,700 Pounds.

We are also in the process of selecting and training pilots as well as making capital improvements to our Air Cape Cod facility in HYA.

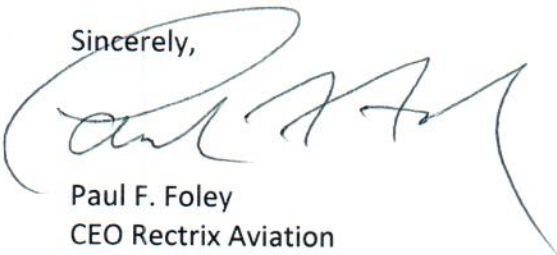

We will need a staging/assembly area in ACK with a minimum of 1,000 square feet.

We plan to operate 3-6 round trips per day with a Monday through Friday schedule.

We would appreciate any support you can provide.

Please feel free to call me with any questions you may have.

Sincerely,

Paul F. Foley

Re: RFQ for Airport Engineering Services

Dear David:

Thank you for your submittal in response to our Request for Qualifications for engineering services. We received seven (7) submissions and reviewed each one thoroughly. The reviewing committee will be recommending to the Nantucket Memorial Airport Commission selection of two firms to represent the Airport for their Airport Planning, Development and on-call engineering services, Jacobs Engineering Group, Inc. and McFarland Johnson, Inc. Each firm will be awarded a one-year contract with two (2) one year renewal options for a maximum of three (3) years.

It is anticipated that Jacobs will represent the Airport over the next year for both on call services and the following AIP projects:

- ALP Update with Narrative (to focus on non-standard pavement geometry)
- Reconstruct Aircraft Apron Area 3 (Approximately 141,625 Sq. Ft.) per Master Plan
- Replace 5,000 feet of Security Fencing

It is anticipated that McFarland Johnson will represent the Airport for both call services and the following AIP Project:

- 5 Year CIP EA/EIR Permitting

The Airport shall assign the following anticipated future AIP projects towards the end of each optional contract renewal year:

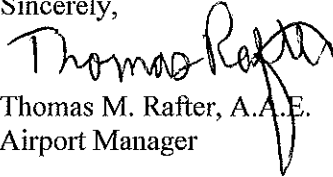

- Security Improvements/Access Control
- Replace CL & TDZ Lights on R/W 6-24
- Taxiway E (& Run-up Pads) Mill and Overlay, Stub Taxiway MITLS on TWY C (R/W) 12/30)  
Remove R/W 33 Run-up Pad
- Design South Apron Extension Phases 1 & 2 per Master Plan
- Runway 24 High Speed Exit Taxiway
- Rare Species Master Plan (RSMP)
- Reconstruct Area "2" (Approx. 63,735 Sq Ft.) per Master Plan

Joint coordination efforts will be anticipated for future CIP development.

If you could please forward a draft General Services Contract for unanticipated on-call services and include your rate structure for our review.

We will notify both the FAA and MassDOT accordingly.

Sincerely,
